

# Bravo3 Technical Services Inc.

## FAA Certification Testing

Bravo3 Technical Services provides compliance testing to DO-160E with FAA approval onsite from a DER witness and 8110-3 approval form.

## DO-160E Capabilities

Section 4: Altitude and Temperature  
Section 5: Temperature Variation  
Section 7: Shock and Crash Safety  
Section 8: Vibration  
Section 10: Waterproofness  
Section 11: Fluid Susceptibility  
Section 15: Magnetic Effect  
Section 16: Power Input  
Section 25: Electrostatic Discharge (ESD)

## Environmental Stress Screening

Bravo3 Technical Services provides ESS to identify system failures prior to shipment and customer installation. This screening involves thermal shock and a sinusoidal or random vibration sweep.
